Chranville Chroniulings.

Still it snows and rains and blows.

How we will miss the candidates with their genial smiles in this community. If everybody were a candidate for some office what a pleasant lot of people we would be.

Brother Routt will move this week to David Strickler's residence near Cross-Roads. Mr. Strickler and wife intend visiting this spring and summer. Mrs. Strickler being in very poor health needs a rest from the worry and responsibilities of household duties.

M. P. Chran is nursing a very ugly finger this week and he fears it will prove to be a felon.

Judging from the number of hogs running at large in this community corn must be getting scarce. Perhaps there is more economy in grazing three-cent porkers than feeding 40-cent corn.

If anything of interest happens and we find it out we will let the COURIER readers know, but we can't cause very much to happen.

Some of these days we are going to commit an act of charity. We have taken the advantage of most of the Pharisees, we are sounding the trumpet in advance.

Miss Blanche Stacy is on the sick list this week. We don't know whether it is the effects of a disappointment, Sunday last, or a very bad cold.

Wheat in this community is reported as greatly damaged and much of it entirely killed by the severe winter.

Well, we are going to assume the boldness to express a wish for spring to put in her appearance. Guess we will not say we are looking for it any more.

Mrs. E. C. Stacy will teach a spring term of music lessons in this vicinity beginning about the middle of April with 15 scholars. We understand Miss Barnes of near Indian Grove has a class also, but did not ascertain the number of pupils.

Salisbury Scribbings.

Rev. L. T. Fawks is visiting in our city.

Elder Rose filled his regular appointment here, Sunday.

Some "warm" races are promised in our city election next Tuesday.

T. A. La Grass, who has been in New Mexico for some time, came in last week on a visit, and will take his wife and family back with him.

Rice & Clark expect to open up their law office, April 1st. Mr. Clark will occupy the Rice property in Peter's addition, and Mr. Rice will locate in the Jamison property on West Third street.

Rev. Sears of Jackson, Tenn., lectured at the C. P. church, Friday and Saturday nights of last week, on "More Taffy and Less Epitaphy" and "Climbing the Hill Before You Reach It." Both lectures were splendid.

W. S. Patterson and Jos. Blake became involved in a difficulty in Karcher's saloon, Tuesday, which resulted in the latter being shot and slightly wounded. It seems that the parties were not on good terms and in talking over their differences Patterson made some offensive remark to Blake, who resented it by knocking him down. As Patterson arose he drew his pistol and commenced firing on Blake, shooting four times, two of the shots taking effect, one striking Blake on the hand and the other on the forehead, neither wound being severe. The saloon was crowded at the time and the men fled like sheep. Patterson gave himself up to Constable Elliott, but as no one seemed inclined to prosecute, and no warrant had been sworn out he was released. The parties to the unfortunate affair are related by marriage and stand high in the community. We hope the matter will end here and no further trouble grow out of it. Late in the afternoon a warrant was sworn out for Patterson, and he will be prosecuted for the shooting and also by the city for carrying concealed weapons and shooting in the city limits.

The election passed off quietly here, the result being as follows:

There was quite a little duel fought at Mike, Saturday, between Sharkey Fuller and McCoy Anderson. We

learn that Sharkey knocked McCoy out of the ring.

Several weeks ago we noticed an item in the COURIER that some gentleman had the kindness to have the editor to print correcting the Mike correspondent in regard to the drug store, saying he had nothing to do with the building. If we have made a mistake we are willing to correct it, but we thought we were reliably informed, and only hope that those who have nothing to do with the building will have less to do with the "drugs."

The township election held in this city last Tuesday passed off very quietly without any disturbance of any kind. Some of the candidates, no doubt, feel a little sore over their defeat, but they were all good men anyhow, if they were defeated.

"Durability is Better Than Show."

The wealth of the multi-millionaires is not equal to good health. Riches without health are a curse, and yet the rich, the middle classes and the poor alike have, in Hood's Sarsaparilla, a valuable assistant in getting and maintaining perfect health. It never disappoints.

Scrofula—"Three years ago our son, now eleven, had a serious case of scrofula and erysipelas with dreadful sores, discharging and itching constantly. He could not walk. Several physicians did not help for sixteen months. Three months' treatment with Hood's Sarsaparilla made him perfectly well. We are glad to tell others of it." Mrs. David Lakin, Ottawa, Kansas.

Nausea—"Vomiting spells, dizziness and prostration troubled me for years. Had neuralgia, grew weak and could not sleep. My age was against me, but Hood's Sarsaparilla cured me thoroughly. My weight increased from 125 to 145 pounds. I am the mother of nine children. Never felt so well and strong since I was married as I do now." Mrs. M. A. Waters, 1529 33d St., Washington, D. C.

Eczema—"We had to tie the hands of our two year old son on account of eczema on face and limbs. No medicine even helped until we used Hood's Sarsaparilla, which soon cured." Mrs. A. Van Wyck, 123 Montgomery Street, Paterson, N. J.
